

WHO WE ARE

Making every day more than ordinary

P&G was founded over 180 years ago as a simple soap and candle company. Today, we're the world's largest consumer goods company and home to iconic, trusted brands that make life a little bit easier in small but meaningful ways. We've spanned three centuries thanks to three simple ideas: [leadership](#), innovation and [citizenship](#).

The insight, innovation and passion of talented teams has helped us grow into a [global company](#) that is governed responsibly and ethically, that is open and transparent, and that supports good causes and protects the environment. This is a place where you can be proud to work and do something that matters.

**We believe in finding
small but meaningful
ways to improve lives—
now and for
generations to come.**
